Additional information	
Educational outcomes	This excursion provides an opportunity for students and teachers to develop knowledge about engineering as a post school option and also to develop strong links with the local university and harness their facilities in the engineering field.
Consent Form and Payment due to Office by	Monday 20th November 2023

General Information Concerning Excursions / Incursions

1. Excursions and Incursions form an integral part of the curricula by providing enriching experiences which cannot be provided in the classroom.
2. This excursion/incursion has the approval of the principal. A risk management plan has been submitted to the principal as part of the excursion planning.
3. Students must wear full school uniform unless otherwise instructed above. Students who are not in uniform will not be allowed to attend.
4. A standard of behaviour is expected of all students representing the school in the greater community.
5. Please note the time and place of departure and return, transport arrangements, uniform requirements and food as advised above.

Mr David Arblaster
Principal
