

Student Learning and Behaviour

At Turrumurra High School we are committed to a safe, caring and inclusive learning community where all members are valued. We seek to prioritise collaborative and creative practices and empower individuals to reach their potential through the creation of supportive relationships that facilitate student agency and resilience

Students at Turrumurra High School are expected to:

- x show respect to other students, their teachers and school staff and community members
- x follow school and class rules and follow the directions of their teachers
- x strive for the highest standards in learning
- x act in a courteous and respectful manner in accordance with the Department of Education's a (in) student behaviour strategy.

Attendance at School

Regular attendance at school is essential for students to achieve quality life outcomes. Schools, in partnership with parents, are responsible for promoting the regular attendance of students. Parents ensure their children attend school every day and arrive at school on time

Student Learning and Behaviour

Bullying and Violence

Our positive and inclusive learning environment helps to ensure bullying is less likely to occur. All members of our school community are active participants in developing and building a school culture that values diversity, and fosters positive, respectful relationships. Students are expected to treat all community members with respect and dignity, speak and behave courteously and cooperate with others. We value the interests, ability and culture of others.

I,(student's name) of year have read and understood the above information.
